

ANNUAL HIKANBYKE PICNIC

SEPTEMBER 9, 2018

The park is 300+ acres of hills and shoreline at Pt. Richmond. There is a beautiful lawn area and a paved path circling the lagoon. You can hike the hills, walk on the beach and any part of SFBay Trail or just relax. You can take a short bike ride on the road above the park or go any distance on the Bay Trail. Views in all directions include Mt Tamalpais, SF Skyline, the Bay Bridge and Richmond Bridge.

The Golden State Model RR Museum is open on Sundays and Rosie the Riveter + WW II Nat'l Historic Park is nearby. Ferry Point was once the western terminus of the transcontinental railroad.

Activities will begin around 9 AM. Watch for updates about a hike leader and bike ride leader.

The POTLUCK picnic will be at 12 noon. Bring a salad, side dish, dessert to share and BYOB. We will be in picnic site Marsh Hawk.

From I-580 in Richmond exit at Canal Blvd. Turn South. Right onto W Cutting, left on S Gerrard & thru the tunnel where Gerrard becomes Doman. 2nd parking entrance is closest to Marsh Hawk. Contra Costa friends could use San Pablo Dam Rd. route to I-80
GPS, Google Maps or Mapquest will help!

Because H&B provides something from the BBQ, it would be great to get an RSVP! rmallon2@aol.com

Bring a chair so you can move closer to the lagoon or a quiet spot under the trees.
